

EXAMPLE TREATMENT FOR FRIENDS

This episode is going to be about Chandler getting offered a part on Baywatch. He tells his best friend Joey, who becomes jealous. As Chandler tells the rest of the group they all have a warning, tip, or some advice. Chandler goes to film the episode of Baywatch and Joey shows up to cause trouble.

In this episode, I will feature all six of the main characters and a special guest appearance from the cast of Baywatch. They will have limited speaking parts. I plan to set this in Joey and Chandler's apartment, the coffee shop, Monica's apt., and the beach.
